Here is the list of people who have been my mentors, professors and who supervised me. Feel free to connect with them. Prof. dr. sc. Siniša Šegvić was a mentor to me during my bachelor's and master's studies in the field of machine learning and deep learning. More about his work you can find on his <u>personal blog</u>. Angelika Lagerblom was my manager while I was a trainee in the Market Operations Framework. She maintained good and professional culture in the multidisciplinary and multicultural competitive work environment.
